Supporter Update – October 2015

Dear Friends

I write to thank you for your continued support of Library Aid International Inc. (LAI) and to update you of events and our continuing needs.

As always our desire is to see 'readers to become leaders'. To-date, more than 100,000 books have distributed to over 70 schools, a prison and an AIDS clinic by our overseas partners. We are continuing to look to other options or partnering with other groups to assist them with filling a container.

ACHIEVEMENTS

- ◆ A fourth container of books has been shipped to Zimbabwe, Africa and will be distributed to schools, thanks to Rotary.
- ◆ Plenty of books are arriving from around Tasmania and another container is almost half full.
- ◆ Romaine Park Christian Centre in Burnie continue to provide us with a venue to sort and pack books.
- ◆ Our faithful volunteers have continued to assist.
- ◆ Maintenance of our webpage at www.libraryaid.org and a Facebook page.
- ◆ Further sausage sizzle fundraisers in Burnie.

NEEDS

- ◆ People and organisations to share our vision and partner with LAI Inc. by volunteering **and** to become a financial member.
- ◆ More volunteers to help sort books.
- ◆ Financial support to ship the next container of books. It costs about \$9,000 to hire and transport a container and distribution costs.
- ◆ Opportunities to speak about LAI and show a promotional DVD to individuals and groups.
- ◆ Donations of books and educational items.

LAI is thankful for your continued support. Also for De Bruyn's Transport who faithfully move books deposited at their various depots around the state to Burnie for collection by LAI.

Yours sincerely

Leonie Stitz
Secretary
